Wishing You a Wonderful Holiday Season

All of us at IPISC would like to give thanks and wish the happiest of holidays and a bright and wonderful new year to you and your family.

Thank you for your business, and we look forward to a prosperous new year!

IPISC's Employees Generously Donate to Those in Need

Each holiday season, IPISC's employees team with Wayside Christian Mission to generously donate everyday items, such as blankets, toiletries, socks and toys, things that we many times take for granted, to those in desperate need this holiday season.

Wayside Christian Mission in Louisville, KY continues to serve as a safety net to the homeless in our community. They address the primary causes of homelessness in a nurturing, caring environment. Homelessness doesn't just affect adults, children and teens are also extremely vulnerable to its effects.

Wayside's mission is to tackle the root causes of homelessness, such as alcoholism, substance abuse, domestic violence, mental illness and lack of education. By addressing these issues, they have been able to help those in need return to the community as sober, self-supporting citizens. If you are interested in learning more about Wayside's mission, please visit their [website](#) or donate [here](#).
